

1^{er} Torneo Regional de Debate

Bogotá – Cundinamarca 2022

Motions

Round 1

To achieve equitable territorial development, This House (TH) prefers to grant benefits and incentives to groups that practice illegal mining for its formalization instead of sanctioning them with the current measures (the Penal Code establishes custodial sentences and fines for illegal mining exploration).

Round 2:

TH would have preferred that the management of the five (5) research lines of the Global Education Pact had been entrusted to different higher education centers instead of entrusting them to Jesuit universities.

Motions

Round 3

This House Believes That (THBT) the monitoring of progress and fulfillment of the Sustainable Development Goals (SDGs) should be carried out by specialized non-governmental organizations instead of public governmental institutions.

Round 4

TH supports the creation of a trust financed by practitioners of the Catholic Church for the development of training programs for the implementation of the Global Education Pact in public and private educational communities.

Motions

Round 5

By 2030, and assuming it were possible, TH, being the international community, would sanction countries for their omissions in the accomplishment of the Sustainable Development Goals (SDGs).

Round 6

The motion for round six will be *impromptu*, which means it will be given fifteen minutes before the round to encourage students' ability to improvise in debating.

Motions

Quarterfinals

The motion for this round, which will be held at Colegio Bilingüe La Enseñanza facilities, will be revealed on September 15th.

Semifinal

The motion of this round will be *impromptu*, which means it will be given fifteen minutes before the debate to encourage the students' capacity for improvisation in debating.

Final

The motion for this round, which will be held at the facilities of the Universidad de Los Andes, will be revealed on September 15th..
